GEN..RENO KILLED A GENERAL BATTLE.

HEADQUARTERS ARMY OF THE POTOMAC, )
Three inlies beyond Middletown, September, 14th.

To H. W. Halleck, Gen. in Chier':

A vary sovere engagement has just taken place and the corps of Gen. Hooker and Gun. Reno have carried the heights commanding Hagerstown road by storm. The troops behaved magnificently; they iever tought better.

Gen. Franklin has been hotly engaged on the extreme left; I don't yet know the result except that the firing increased in progress on his part. The tighting continued until after dark and terminated, leaving us in possessian of the entire

crest. It has been a glorious victory. I cannot yet ieli whether the enemy will retreat during the night or appear in increased force during the morning. I regret to add that the gallant and able. Gen. Read is killed.

### FROM THE ARMIES.

· New York, 15. A correspondent of the Times writing from Suga Loaf Friday makes the following statements: It is well know, that large droves of cattle have been sent from Maryland to Virginia within three days for Lee's Army. Our own pickets reported the

fact and they were allowed to proceed. Albert S. Willey 1st Muss., Cavalry who was seriously wounded in a cavatry skirmish in Poolesville last Friday is doing well at House Mills, between Damestown and Poolesville.

The same correspondent gives a report that the ebels were moving on Thursday in the direction of Point of Rocks.

The only effective force in Maryland is believed to be cavalry. Franklins corps moved from Barnes ville Friday but it is not stated which way he went. Corcoran's Brigade has gone to the month of the Monocacy to prevent the rebels recrossing there.

# FROM FORT RIDGLEY.

WASHINGTON, Sept. 14. A dispatch from T. J. Shepley, commanding por if Fort Ridgley, says, that on the 20th of Aug. he was attacked by the Indians but the superior force of the Artillery under Segi. Jones of the United States army caused the Indians to withlraw. Remnants of families were arriving at Fort Ridgley for protection. They were in miserable condition. Some had been badly burned in excaping from their dwellings which had been fired by the Indians.

The people in the immediate vicinity were flying to the Fort and arming for its defence. On the 22nd of August the Indians returned to the attack with a much larger force and the stables and buildings around the Fort affording protection to them were ordered to be destroyed which was done by the Artillery under Sergt. Jones assisted by Licut. Gorman of the Raville Rangers. Great credit is due to them for gallant conduct. The fire balls of the Indians fell all over and through the wooden buildings errected for officers quarters, still the brave little garrieon maintained their ground.

The Indians then prepared to carry the fort, by storm but our artillery compelled them to withdraw after one of the most determined attacks ever made by Indians on a military, post, .
